Manufacturer's Warranty

WK Designs Australia is the licensed manufacturer of Walter Knoll products in Australia. WK Designs provides a 5 year manufacturer's warranty for the Walter Knoll products.

The warranty includes:

- Frames
- Upholstery fitment
- Metal components
- Timber components
- Fasteners
- Assembly and workmanship

Conditions applying:

1. The product shall be used in the manner for which it was designed and given fair wear and tear.
2. Installation must be performed in the appropriate way using suitable equipment.
3. Where assembly is required, the correct tools and methods shall be used.
4. Unless otherwise stated, the warranty excludes any damage associated with the transporting of the product.
5. The warranty period commences from the completion date of the product at the manufacturers facility.
6. The warranty is provided on the basis that the conditions for payment of the product are met.
